

ARMORGUARD™ DOCK SEAL

WITH HEAD CURTAIN MODEL ADS-HC

Product Summary

The Kelley ArmorGuard Model ADS-HC Head Curtain Dock Seal is designed to take on the most rugged loading dock environments. The exclusive SHARC fabric provides superior abrasion resistance against air ride suspension trailers, intermodal trailers, sharp edges and yard spotters.

Design Highlights

- Exclusive SHARC™ (Super High Abrasion Resistant Compound) fabric provides up to 10 times the abrasion resistance of competitive fabrics tested
- Exclusive EFC (Encapsulated Foam Chambers) Head Curtain with 1" x 3" chambers provides superior sealing on trailer top, compared to standard head curtains
- Integrated pull rope system allows full adjustability to varying trailer heights.
- Exclusive heat-sealed, full length, yellow guide stripes
- Exclusive roll-formed, galvanized steel framing
- Endurance-tested foam core is continuously bonded to frame surface with flexible, non flammable adhesive
- Top of hood is tapered forward and securely fastened to building wall
- Fiberglass stays add stiffness to hood top to prevent sagging
- Hood curtain splits offer load relief and higher clearance
- Highly resilient, open-celled polyurethane foam keeps original shape and compresses easily to extend seal life
- Side pad bottoms are tapered to avoid pinching and wear
- All pads are vented for air and moisture release
